

REMARKS

This Preliminary Amendment amends the Specification to add a specific reference to the international application of which this application is the U.S. national stage, as well as a reference to the Bulgaria patent application to which this application claims priority. The Specification is also amended to remove brackets from the text.

The claims of the application have been amended to place them in better condition for examination. No new matter has been added by the present amendments. It is respectfully submitted that no fees are necessary in conjunction with the present Preliminary Amendment. However, in the event any fees are due, kindly charge the cost thereof to our Deposit Account No. 13-2855.

Dated: May 20, 2005

Respectfully submitted,
